BOARDING SCHOOL

PROSPECTUS 2022-23

Welcome from our Head of Boarding

Welcome to Sage College Boarding School!

Here at Sage we believe that becoming a part of our boarding community offers a unique opportunity for students all across the world. Not only do we teach our core values of academic excellence, respect and internationality, but we provide our students with the support to develop personal skills and friendships that will last a lifetime.

We know that each student is unique and it is important to us that they are given the opportunity to discover their natural talents and passions, whilst being provided with a standard of education which will enable them to meet the challenges of the 21st century.

Our boarders are given many extra-curricular opportunities including participation in school productions, sports, music and art. With a variety of local excursions, our students can immerse themselves in the Spanish culture whilst also enjoying an international environment at school. These activities not only enhance their personal development and sense of community, but also support them to become well-rounded and engaged global citizens.

We hope you and your family take the time to visit us soon and experience in person just exactly what it is that makes Sage College such a special, unique place to live and study.

I look forward to welcoming you soon

Ms Pike

Sage College Head of Boarding

Who are we?

Sage College was founded in 2006 in Jerez de la Frontera, at the south of Cádiz (Andalucía).

The college benefits from luxurious purpose built facilities in a light, airy and spacious building that has been built following **traditional Andalusian architecture.**

Sage College provides a **British Education to children from 2 years to 18 years.**

We believe that each child is a **unique individual who needs a secure, caring, and stimulating atmosphere in which to grow** and mature emotionally, intellectually, physically, and socially, and develop their self-esteem and core values.

At Sage College we aim to provide every student with the support they need to: be healthy, stay safe, enjoy, discover and achieve through learning, and make a positive contribution to society.

At Sage, our students are provided with a high standard of education which will enable them to meet the challenges of the 21st century.

Our mission and values

Our mission is to provide an **outstanding international education** founded on a **family-centered environment**. Ours is a **holistic culture of excellence** in which all contribute.

Where are we?

Jerez de la Frontera Southern Coast of Spain

Jerez de la Frontera **is one of Andalusia's most typical towns** and it is considered to be the home of flamenco. This Andalusian town has been known far and wide for many years thanks to its **equestrian tradition, sherry wine, flamenco and motor-racing**. The ancient downtown, which dates back to the 1200 BC, boasts an endless list of tourist attractions and makes a delightful stroll through beautiful streets lined with marvelous architecture and gastronomy.

Jerez is 10 km away from some of the best beaches in Spain, perfect to practice different sports such as surf, diving or to simply relax.

Jerez de la Frontera lies on a central strip running from the mountains down through the countryside, practically reaching the coast.

Part of the mountains belong to Los Alcornocales Natural Park where visitors can enjoy a huge variety of adventure activities such as hiking, rock climbing, paragliding, cave exploring and many others. **Jerez's delightful weather, with more than 300 days of sunshine**, and the gentleness of the climate throughout the year invite visitors to just want to stay here.

Why boarding here?

- Enjoy the **huge opportunities** on offer – the facilities, activities and social life.
- Experience **total immersion in Spanish everyday life** through academics, local excursions and a variety of activities.
- **Build relationships** – the multi-cultural environment is often the making of lifelong friendships.
- **Develop independence** – taking responsibility for yourself and learning to plan and prioritise your time are important life skills.
- **Ideal preparation for university** and further education.

Our curriculum

We are the only International British School in the area that follows the **full British Curriculum** from the age of 2 to 18.

The four ages of the Curriculum give students a clear path for educational success, leading seamlessly from primary to secondary and pre-university years.

Each curriculum offers **high-quality support** from teachers and integrated assessment, including **Cambridge and Edexcel IGCSE and AS & A Level qualifications**, which are recognised by universities worldwide.

Alongside the British International curriculum we offer the **Spanish Bachillerato studies** for those students interested in accessing Spanish universities.

University access

Our academic programs grant **access to all Spanish, UK and International Universities worldwide.**

The school prepares students well in advance with **career guidance** undertaken by our staff, university professors and professionals from different sectors during orientation meetings, talks and other events.

We also host an annual **International University Fair**, in which we welcome more than 20 universities from across Spain, UK, the Netherlands, USA, Germany, Switzerland and other countries.

Teachers take great care to advise students about university selection and application, so students feel prepared and knowledgeable about their choices.

Our **Career Advisor** and High School Coordinator works in collaboration with A-Level teachers and the Headmaster to guide the students through the whole university entrance process.

Some of the Universities that Sage College Alumni have attended are:

Pastoral Care

The School's **excellent pastoral care** is backbone to our boarding Students tutors, housemaster and house monitors form strong relationships with boarding students and their families. **Housemaster and tutors organise and run activities** taking boarders' interests and needs into consideration.

MAKING OF THE MOST OF TIME TO STUDY

- **Study time is scheduled to help boarders** keep on top of their academic studies & performance.
- The seamless integration between academic and boarding staff ensures that **each boarder's work is carefully monitored.**
- There is a **fully equipped library** that boarders find very useful and beneficial to their study time.
